## Paradise Valley United Methodist Preschool Email Communication Consent Form

For the 2007-2008 school year, email reminders regarding information pertinent to the entire school will be available to interested parents. Use of email will avoid wasting paper, and will ensure that important information makes it home.

Emails will be infrequent and will include topics such as Spirit Day reminders and last minute changes.

Please know that your email address will be kept private. The list created from this consent form will not be included in the school directory, and will only be used for preschool purposes.

Please return this form to the office along with your blue card which is due at Parent Orientation on Tuesday, September 4.
